Southeast Florida Cancer Control Collaborative

BYLAWS

ARTICLE I – Name and Background

The Southeast Florida Cancer Control Collaborative (SFCCC) is a voluntary organization made up of representatives from agencies and organizations that provide cancer-related services, as well as advocates who are interested in reducing the cancer burden in Southeast Florida.

The SFCCC was established in 2001 as one of the original four regional collaboratives that were part of the Florida Comprehensive Cancer Control Initiative.

ARTICLE II – Mission Statement

The mission of the SFCCC is to improve access to cancer care and to decrease the burden of cancer through a united effort by the promotion of education, advocacy and research for the people of Southeast Florida.

The goal of the SFCCC is to reduce the burden of cancer and cancer disparities in the eight (8) counties that comprise the Southeast region of Florida -- Broward, Indian River, Martin, Miami-Dade, Monroe, Okeechobee, Palm Beach and St. Lucie.

The SFCCC accomplishes this through a collaborative effort of members working together and sharing resources to develop and implement cancer control projects for the public and health care professionals in Southeast Florida.
